

# Compression Valves

From our massive 108mm ABCO Gate Valve to a humble washing machine valve we stock compression ended valves for every application. Compression ended valves give the end user the flexibility of getting the valve straight on to the existing pipework. We stock compression valves in the following sizes: 15mm, 22mm, 28mm, 35mm, 42mm & 54mm, 67mm, 76mm & 108mm.

Use the navigation menu above or the links below to view our full range of Compression Valves.
